

IRWIN®

MAX STRIKE™ HIGH VELOCITY HAMMER

The IRWIN® Max Strike™ 19 & 15 oz. High Velocity One-Piece Steel Hammers are carefully engineered to be more efficient. It's built from the grip up with tradespeople in mind. Lightweight, yet designed to strike like a heavier hammer. For example, the 19 oz. is designed to have same striking effect as a 28 oz. hammer. The lightweight feel allows for a faster swing and less arm fatigue to help you be more productive on the job. Its' ergonomically designed grip is built to reduce vibration and transfer less shock to the body.
