ASSEMBLY INSTRUCTIONS

**Before
you start,
here is
some
helpful
advice**

1. We suggest you spend a short time reading through this leaflet and follow the simple step-by-step assembly instructions.
2. Do not discard any cartons until you have checked all parts and fitting packs are available.
3. Assemble this product on a flat surface. Two people require for this product assembly.
4. Do not fasten any bolts and screws until all parts have completely assembled.
5. Discard any extra fittings. Keep wrenches out of reach to children.
6. Retain Assembly Instruction for future reference. Fittings should regularly be checked for tightness.
7. Children should not play on this furniture. Adult supervision is recommended if children used.
