

LIGHT UP THE NIGHT

RADIANT™ NIGHT LIGHTS

Brightly redesigned solutions for safe, automatic nighttime navigation.

Ideal for bathrooms, hallways, stairwells, nurseries and any other area of your home where greater visibility is required, our newly redesigned night lights offer intuitive light-level control plus power convenience. With five adjustable light levels and optional louvers that even a child can safely use, nighttime navigation has never been simpler. Install them in your home to decrease the chance of tripping over objects that may be undetectable in the dark and help quiet kids' common bedtime fears.
