

⚠ WARNING - ATTENTION - ADVERTENCIA

Do not sand, dry sweep, dry scrape, drill, saw, beadblast, or mechanically chip or pulverize existing resilient flooring, backing, lining felt, asphaltic "cut-back" adhesive, or other adhesive. These products may contain asbestos fibers and/or crystalline silica. Avoid creating dust. Inhalation of such dust is a cancer and respiratory tract hazard. Smoking by individuals exposed to asbestos fibers greatly increases the risk of serious bodily harm. Unless positively certain that the product is a nonasbestos-containing material, you must presume it contains asbestos. Regulations may require that the material be tested to determine asbestos content.

Ne pas poncer, gratter ou balayer à sec, perforer, scier, piquer au jet de billes, déchiqueter mécaniquement ou pulvériser un revêtement de sol souple, un endos, un revêtement de feutre ou de bitume fluidifié ou autres matériaux semblables susceptibles de contenir des fibres d'amiantes et/ou de la silice cristalline. Éviter d'en soulever la poussière. L'inhalation de cette poussière représente un danger de cancer et un danger pour les voies respiratoires. Le risque de maladies graves est particulièrement amplifié chez les personnes en contact avec les fibres d'amiante qui fument. Toujours présumer qu'un produit contient de l'amiante à moins d'avoir l'absolue certitude du contraire. La réglementation peut exiger que le matériau soit soumis à des tests afin d'établir s'il contient de l'amiante.

No lijar, barrer en seco, raspar en seco, taladrar, aserrar, limpiar con chorro de granalla ni desbastar o pulverizar mecánicamente revestimientos del piso elásticos, refuerzo elástico, fieltro de revestimiento, adhesivos asfálticos "fluidificados" u otros adhesivos existentes. Estos productos pueden contener fibras de asbesto y/o silice cristalina. Evitar generar polvo del producto. La inhalación de dicho polvo constituye un peligro de cáncer y un peligro para las vías respiratorias. Fumar aumenta enormemente el riesgo de sufrir lesiones corporales graves en personas expuestas a fibras de asbesto. A menos que se esté positivamente seguro de que el producto es un material que no contiene asbesto, se debe suponer que contiene asbesto. Es posible que las normas requieran que el material se someta a pruebas para determinar el contenido de asbesto.

MAY CAUSE IRRITATION TO THE EYES. WEAR SUITABLE GLOVES AND EYE/FACE PROTECTION.

CONTENTS – INGREDIENTS: POLYMER DISPERSION (CAS# UNKNOWN/PROPRIETARY), WATER (CAS# 7732-18-5), ACRYLIC POLYMER (CAS# 31069-81-5), SODIUM HYDROXIDE (CAS# 1310-73-2), PETROLEUM DISTILLATE (CAS# 64742-46-7). CONTENTS PARTIALLY UNKNOWN. **HANDLING PROCEDURES –** AVOID GETTING THIS MATERIAL INTO CONTACT WITH YOUR SKIN AND EYES. STORE IN A COOL, DRY, WELL-VENTILATED AREA.

EMERGENCY AND FIRST AID TREATMENT – EYES: IMMEDIATELY FLUSH EYES WITH LARGE AMOUNTS OF WATER, CONTINUING TO FLUSH FOR 15 MINUTES. IF IRRITATION PERSISTS GET MEDICAL ATTENTION. **SKIN:** FLUSH WITH LARGE AMOUNTS OF WATER. IF IRRITATION PERSISTS, GET MEDICAL ATTENTION. **INHALATION:** IMMEDIATELY REMOVE THE AFFECTED PERSON TO FRESH AIR. IF SYMPTOMS PERSIST, GET MEDICAL ATTENTION. **INGESTION:** FLUSH OUT MOUTH WITH WATER. IF INGESTION OF A LARGE AMOUNT DOES OCCUR, SEEK MEDICAL ATTENTION. DO NOT INDUCE VOMITING. **KEEP OUT OF THE REACH OF CHILDREN! WARNING! THIS PRODUCT CONTAINS A CHEMICAL KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER.**

NOT REGULATED UNDER WHMIS. BEFORE USE, CAREFULLY READ ALL SAFETY INSTRUCTIONS ON THIS CONTAINER AND ON THE MATERIAL SAFETY DATA SHEET. IN THE EVENT OF A CHEMICAL EMERGENCY, SPILL, LEAK, EXPOSURE OR ACCIDENT, CALL – IN THE U.S.A.: CHEMTREC 1-800-424-9300; IN CANADA: CANUTEC (613) 996-6666.
