Firstly, attach 2pcs part 11 to the front and end of the side rails, slats need to be attached fully on side rails. Then, attach the remaining part 11 equidistantly on side rails as shown below.

Fixez d'abord les deux pièces 11 à l'avant et à l'extrémité des rails latéraux. Les lattes doivent être entièrement fixées sur les rails latéraux.

Fixez ensuite les pièces 11 restantes à équidistance des rails latéraux, comme illustré ci-dessous.
