

40V Lithium-Ion Cordless Blower

FULL BOAR

GO FULL BOAR™

Rugged. Affordable. Durable.

40V Lithium-Ion Cordless Blower

Are you tired of battling with cumbersome, corded leaf blowers that tie you down and limit your range of motion? Say goodbye to the hassle and welcome the future of yard maintenance with our cutting-edge 40V Lithium Handheld Leaf Blower! The B4111T Full Boar 40V cordless Turbine Leaf Blower provides environmental friendliness, quieter operation, ease of use compared to traditional gas-powered blowers and offers the same performance as gas ones. Using a 40V 2.0Ah rechargeable battery and featuring an intelligent brushless motor, our product offers extended run time, reduced noise levels, and ensures a longer motor lifespan. Experience enhanced performance and durability for all your yard needs. The jet fan design increases airflow by delivering an impressive 506CFM of clearing power to easily blow through heavier leaves and debris. Whether you're clearing your lawn or tidying up your garden, our lightweight leaf blower design ensures a comfortable and secure grip, forget about hand fatigue and enjoy putting the finishing touches on your outdoor space pain-free. 3 adjustable speeds provide versatile power, and higher performance. Upgrade to the B4111T Full Boar 40V brushless blower today and breeze through your outdoor chores with ease!

FEATURES & BENEFITS

- ▲ Jet fan design and turbine tech delivers the airflow of 506CFM and air speeds up to 110Mph.
- ▲ Intelligent brushless motor provides optimal power output for superior results.
- ▲ Lightweight and compact design enables effortless single-handed control.
- ▲ Minimal assembly required.
- ▲ 3-adjustable speeds, allowing you to tackle light cleanup tasks around flower beds or effortlessly handle stubborn debris.
- ▲ Average run time with 2.0Ah battery: 24minutes on low setting.
- ▲ Cordless design, allowing you to use this blower in various outdoor settings, from large yards to tight spaces, without the limitations of cord length.
- ▲ Easy to operate, simply press the start button to use the blower effortlessly.
- ▲ Soft-grip handle provides you with the most comfortable operating experience.
- ▲ B4111T1 includes 40V battery LB4020 and 42V charger LC4010.
- ▲ As a member of Full Boar battery product line, compatible not only with the 40V battery LB4020, but also with the 80V batteries LB8025& LB8040, ensuring you have abundant power for your needs.
- ▲ 3-year warranty
