Precautions before Assembly

1. If any parts are missing or scratched or damaged, please contact the seller or Fortune Candy customer service for partial refund and replacement parts.
2. The smell of PU wood paint will be greatly reduced after 1-3 days.
3. Do not tighten all screws and nuts until last step. Fixing a single part too early may make other parts difficult to assemble. Do not overtighten it to avoid damaging the wood.

* We provide excellent after-sales service, which is appreciated by many buyers. Your satisfaction is our main goal.
