Defining Life's Brighter Moments

We believe that better products make for better lives. At Newhouse Lighting we strive to create products that utilize the best technology, incorporate features that benefit the end user and integrate stylish design elements for an attractive look that fits into any living environment. Form and function go hand in hand for us and improving upon the existing design is our mission.

How To Use

Simply tap the power button (like what is done on a cell phone screen) located on the power cord to turn the lamp on. The Olivia has three brightness settings and color temperature settings. The lamp neck is completely flexible and adjustable for light where you need it. The base of the lamp is a sturdy clamp that opens up to 2 inches and is perfectly equipped to clamp onto most table top surfaces.

Product Features

The Olivia features an integrated LED light that is built to last. With a 350 lumen output the Olivia provides bright, flicker-free light for optimal illumination. Adjustable for warm, cool or daylight color settings, the Olivia is customizable to your needs.

Safety Instructions

- Altering or modifying this product in any way will render the product unsafe
- This product is approved for indoor use only in dry conditions
- Do not use the product near high-temperature heat sources
- This product is not meant to be used near water or wet surfaces

Care And Maintenance

To clean your Newhouse Lighting lamp, simply unplug the product and wipe the exterior with a soft cloth. Please avoid using harsh chemicals as this may damage your product.

5 Year Best In Class Warranty

We guarantee that your product will be free from defects in material or workmanship for a period of 5 years from the date of purchase. If any such defect is discovered within the warranty period, Newhouse Lighting, at its discretion, will repair or replace the product at no cost.

This warranty does not apply to defects resulting from abuse of the product, modification, alteration, repair or service of the product by anyone other than Newhouse Lighting.
