

40-TON 7 HP 208 CC KINETIC HORIZONTAL LOG SPLITTER

ITEM NUMBERS

OPS240

19

UPC

826518005746

DESCRIPTION

Introducing the DK2 POWER OPS240 40-ton kinetic log splitter, powered by a KOHLER® CH270 7HP 208cc Command PRO® engine for outstanding performance. Equipped with an oversized reinforced steel work table, safety lockout and a clam shell quick-access body for easy use and maintenance.

The OPS240 has an 8-inch expansion wedge and an auto-retracting bearing-guided ram to drive through logs up to 22 inches in diameter and up to 22 inches in length. Keep yourself safe while working with its extended stability stand and ATV locking wheels, keeping the splitter securely in place.
