FOLDS of HONOR

At Rinnai, we understand that your time is your most valuable asset.

That's why we design our products with one goal in mind: To help you get the job done faster and more efficiently.

With our **Built for the Pro, by the Pro™** philosophy, we create time savers that allow you to shave off valuable minutes—and sometimes even over an hour—on every job.

SAVE TIME DOING THIS:

SENSEI®RX installed with Single Unit Standoff Brackets

NOT THIS!

Rely on Rinnai PRO Time SaversSM for:

- **Faster Installations:** Save time with products engineered for quick, hassle-free installation.
- **Cost-Effectiveness:** Reduce material and labor costs.
- **Increased Customer Satisfaction:** Deliver projects on time and with superior performance, keeping your customers happy.

Ready to shave time off your next installation? Explore these valuable time savers and experience the Rinnai difference today.

PRO Time Savers for Residential Tankless Water Heaters and Boilers

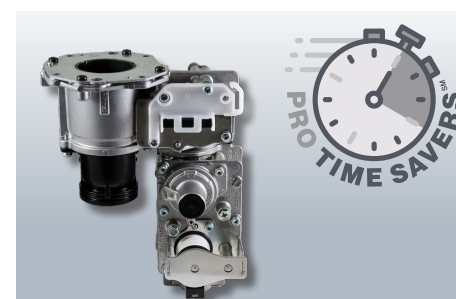

SMART↔CONNECT™

- Eliminate tedious set-up procedures or searching for a Wi-Fi signal. Connect with your phone on the Rinnai Central app via Bluetooth® for quick, simplified set-up and registration with Smart Connect™
- Simple Set Up with Easy Wizard or Advanced Wizard or PRO-files
- No need to ask the homeowner for their Wi-Fi password or to take the cover off

Saves 10–20 minutes, 30 minutes on Profiles

SENSEI®RX, I-SERIES+

SMART↔SENSE™

- One model does it all, can switch by hitting a button
- Detect the Fuel Source (Natural Gas or Propane). No need to make an orifice change. No need to stock additional units. No need to take off the cover.

Saves 10 minutes

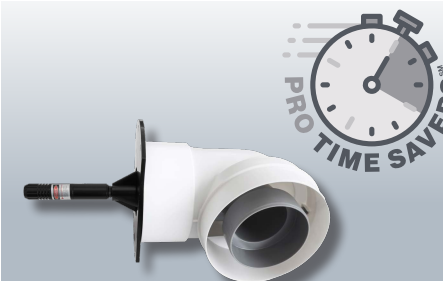

SENSEI®RX, I-SERIES+

VERSA-VENT™

- Stock one model in your vehicle that installs indoor or outdoor
- Needed for outdoor installation, fits on top of the SENSEI®RX unit
- Part #RXOVC

SENSEI®RX

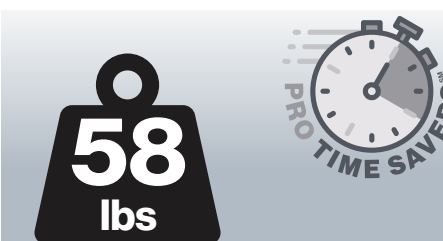

Laser Vent Kit

- Figures out the vent projection from the unit vent to an adjacent wall or ceiling instantaneously. You just mark the location and drill. Works with Concentric and PVC venting.
- Part #103000121

Saves 20 minutes/pipe

SENSEI®RX, RE•SERIES, I-SERIES+

Lighter Weight

- SENSEI®RX is 58 lbs. (10lbs. Lighter than previous models). Install with one person using the easy hang bracket.

Saves Labor

SENSEI®RX

SENSEI®RX SERIES

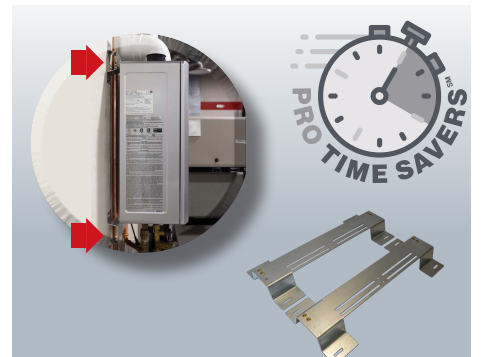

Featuring the RXP Model with Built-in Pump

RE•SERIES™

Rinnai Efficiency Series
The Most Advanced Non-Condensing Tankless Water Heater
