

# Shower Rings & Hooks Buying Guide

Shower Rings and Hooks are an easy-to-install, budget friendly, essential piece of bathroom décor. Kenney Metal and Plastic Shower Curtain Rings & Hooks are designed to coordinate with most shower rods and bathroom hardware finishes.

## Types of Shower Rings & Hooks

Circular O-Ring

Metal Shower Ring

Plastic C-Ring

Plastic Shower Ring

Plastic Double Shower Hook

Plastic Beaded Roller Ball Ring

Plastic Beaded Double Hooks

Metal Beaded Roller Ball Ring

Decorative Shower Hook

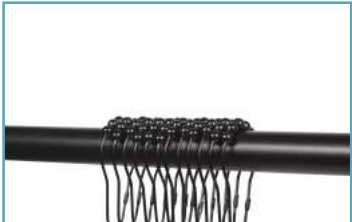

Decorative Double Shower Hook

Beaded Roller Double Hook

Rust-Proof

Rust-Resistant

### Rust-Proof vs. Rust-Resistant: What is the Difference?

Shower Rings & Hooks which are made from materials such as aluminum or plastic are naturally Rust-Proof and will not rust. Rust-Resistant steel shower rings and hooks are coated to help prevent rusting overtime.

## Features to Consider

Set of 12

Each Shower ring and hook comes in a set of 12.

Roller Ring Glide

Plastic and Metal Beaded Roller Ball Rings glide effortlessly over shower rods.

Double Hooks

Double Shower Hooks include an additional hook on the back which helps when hanging both a shower liner and a shower curtain easier and making it easy to remove or replace if needed.

## Choosing the Right Size

Kenney Shower Rings & Hooks are designed to fit most standard shower rods.
