

steps to care

taking care of your duvet covers

If a yarn is loose, clip it. Do not pull.

Always test fabric-friendly cleaners in a small area before use.

Pre-treat stains before washing.

Machine wash as often as required to prevent dust build-up.

Low heat tumble dry and iron to maintain appearance.

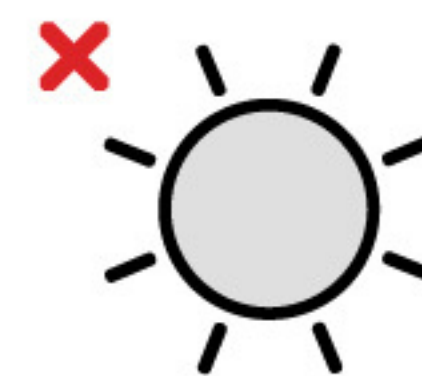

Do not use abrasive or harsh chemicals to clean as this may damage the finish.

Do not use stiff bristle brushes to clean.

Avoid using hot water.

Avoid direct sunlight to prevent fading.
