LIMITED WARRANTY COVERAGE

ONE YEAR LIMITED WARRANTY

Los Flexi products are crafted with superior materials and impeccable workmanship, offering our customers reliable and long-lasting products. If defects in materials or craftsmanship are detected under standard use within the first one year of installation, Los Flexi will either supply replacement parts at no charge or, if deemed necessary, replace the product or its parts. This warranty is exclusive to the original purchaser, and proof of purchase is mandatory for any claim.

This Warranty Will Be Voided If:

The warranty covers defects in materials and craftsmanship but does not apply to the following situations:

- The product sustains scratches, chips, water spots, or any other damage after installation.
- The product is damaged by neglect, misuse, abuse, or improper cleaning.
- The product is cleaned with non-recommended products (such as abrasive cleaners, ammonia, bleach, etc.).

The product should be installed by a licensed professional or an experienced shower door installer. It is recommended that the installer has experience in installing shower or tub doors to prevent glass breakage due to improper installation. Failure to comply with these installation requirements will void the warranty. This warranty is strictly for the original purchaser and first consumer.

Los Flexi won't be held responsible for any consequential damages linked to the product's installation, replacement, return, or usage. This includes, but is not limited to, freight charges, labor, downtime, home damages, and other associated costs (e.g., professional services, investigations, audits, legal fees).

This Los Flexi warranty clearly delineates our liability. Items not specified in this warranty fall outside Los Flexi's responsibility. In states with variations concerning implied warranties, our compliance is ensured.
