BOTTOM

6 Setup button

7 Mounting holes
(attach to **E** mounting plate)

Let's get started

STEP 1: Download the Roku Smart Home app

Scan the QR code below to download the Roku Smart Home app on your smartphone. Sign in with your Roku account or create one.

You'll need

Smartphone & app

Data rates may apply.

STEP 2: **Install your camera**

In the Roku Smart Home app, tap the "**+**" button, "**Add Device**," then "**Cameras & doorbells**" to find "**Indoor Camera**." Follow the instructions to finish setup.

What's that light mean?

Before setup	Status
BLUE - Pulsing	Ready to connect
YELLOW - Slow blinking	Booting up / Updating firmware
WHITE - Fast blinking	Connecting to network

After setup	Status
RED - Blink (3 times)	Error

More features are waiting
