

## Assembly & Installation Instructions

**ITEM NO.: #40235**

### **CAUTION:**

Read these instructions carefully before proceeding.  
Turn off the main power switch during the installation process.

### **WARNING**

All wires are connected, do not pull the wires while unboxing the lamp.  
It might result in a bad connection. Unpack and place all parts on a flat surface.  
Disconnect the unit from electrical supply until the installation has been completed.

### **ASSEMBLY INSTRUCTIONS:**

1. Stand lamp body (A) on the table.
2. Insert tube ( B ) to lamp base ( A ).
3. Insert bulb ( E ) onto lamp socket.
4. Place shade ( C ) onto the tube ( B ) and secure the shade with the finial ( D ).

### **IMPORTANT SAFETY INSTRUCTIONS:**

This portable lamp has a polarized plug(one blade is wider than the other), as a feature to reduce the risk of electric shock,this plug will fit in a polarized outlet only one way. If the plug does not fully fit in the outlet, reverse the plug. If the plug still does not fit, contact a qualified electrician for assistance. Never use an extension cord unless plug can be fully inserted.Do not alter the plug.

### **CLEANING:**

Use only soft cloth during the cleaning process.  
Do not use chemicals or abrasive cleaners which can damage the finish.

### **Note:**

Turn the power off(unplug from the wall outlet)before replacing the bulb. Do not proceed until the bulb has fully cooled down.
