

CARE TIPS AND GENERAL INFO FOR: ANNUAL SPRING MUMS

EXPOSURE:

PART SUN-FULL SUN

POLLINATOR:

ATTRACTS BEES, BIRDS,
AND BUTTERFLIES

BLOOMTIME:

SPRING

Blooms of various colors will
cover neatly mounded habits.

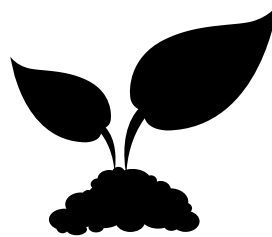

WATERING NEEDS:

REGULAR

Mums do not like to be dry.
Keep them well watered in
order to extend the flowering
timeline.

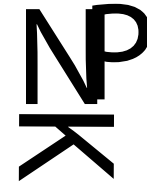

SOIL TYPE:

RICH, WELL DRAINING SOIL

Replant your mums as soon as
you bring them home. Be sure to
loosen the rootball.

FERTILIZER:

LIQUID

Twice a month, use a general
annual flowering liquid
fertilizer to keep the foliage
green and the blooms vibrant.
