IMPORTANT SAFETY INSTRUCTIONS:

DANGER - To reduce the risk of electric shock:

Always unplug this product from the electrical outlet before cleaning.

WARNING: To reduce risk of fire, electric shock, or injury to persons: • Not for use with dimmer packs, timing devices, motion detectors, or lighting

- controllers other than supplied with this product. • If the light is damaged, it shall be exclusively replaced by the manufacturer or the
- service agent or qualified person in order to avoid a hazard. • Do not tamper with or attempt to repair the LED component or fixture. The light
- source is designed for this specific application and should not be serviced by untrained personnel. Contact the customer service department if any servicing is required.
- This is not a toy. Keep away from children.
- For indoor and dry location use only.

SAVE THESE INSTRUCTIONS

Clean the outside of the fixture with a soft, dry cloth or slightly dampened clean cloth. Never use a cleaner with chemicals, solvents, or harsh abrasives to clean the product.

PACKAGE CONTAINS:

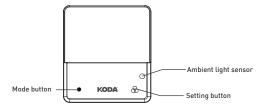

4 x COLOR CHANGING LED NIGHT LIGHT

OPERATIONS:

Dusk-to-Dawn

This night light incorporates a dusk-to-dawn feature. The ambient light sensor will turn the light ON/Off automatically based on the amount of light detected. When the surrounding area is dark, the light will turn ON automatically. When sufficient light is detected, the light will turn OFF automatically.

Default setting:

When the night light is plugged in, it will cycle through. When sufficient light is detected, the light will turn OFF after ten seconds. To change the Mode/Color, push the buttons to activate the light and select the desired Mode/Color or turn OFF. The light will turn off automatically after the settings has been change.

FUNCTIONS SETTING:

Mode button:

White / Color / Off

Push the Mode button to cycle the different modes: White/Color/Off

Setting button:

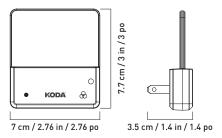

Under the White Light Mode option, you can dim the brightness of the light from 100% - 30%. Under the Color Light Mode, you can select up to 8 different solid colors to display or select the Cycling Setting to rotate the colors being emitted.

PRODUCT SPECIFICATIONS:

- 1. Operating Voltage: 120 Vac, 60 Hz
- 2. Wattage: 0.2 W
- 3. Light Output: 3-5 Lumens (white color)
- 4. Color Temperature: 6500K (white color only)
- 5. LED Life Cycles: up to 50,000 hours (white color)

This product is ETL/cETL Listed

*50,000-hour lifespan is for the white LED only. Lifespan depends on operating temperature, environmental conditions, etc.

Warranty:
