Follow the instructions printed on the plastic bag containing the tipping restraint hardware to attach the tip-over restraints to the unit and the wall.  
**NOTE** The tipping restraint hardware included is for drywall construction. It will be necessary to drill holes for the wall anchors. Depending upon your wall construction, different anchor hardware may be required. Please contact your local hardware store for assistance.

# Safety Maximum Loads

---

This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause sagging, instability, product collapse, and/or serious injury.
