②		Bolt (M6*15MM)	7
③		Allen Wrench	1

Assembly Preparation

Before
Beginning
Assembly
:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

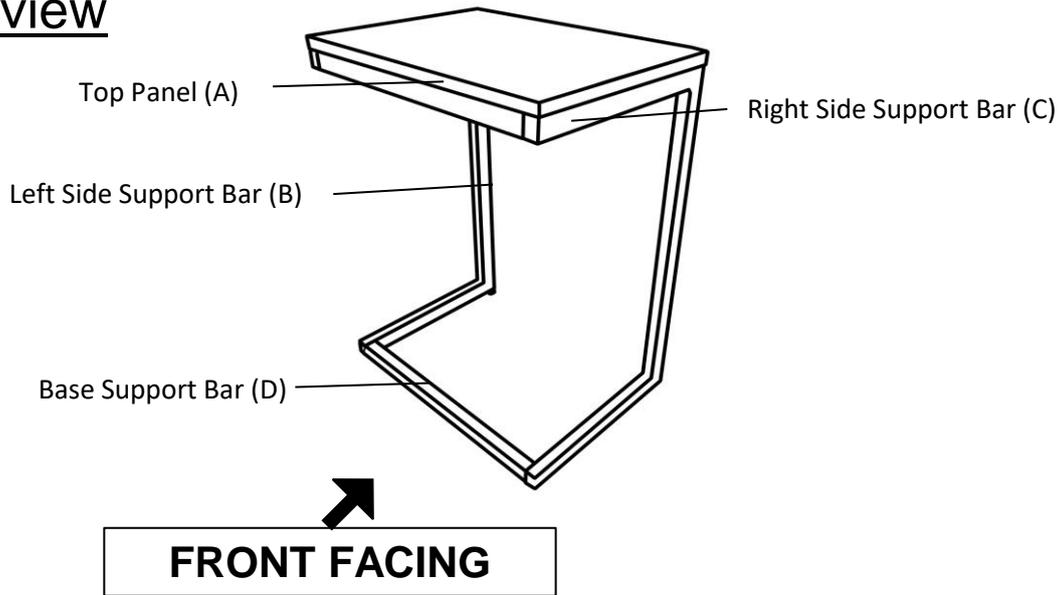

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

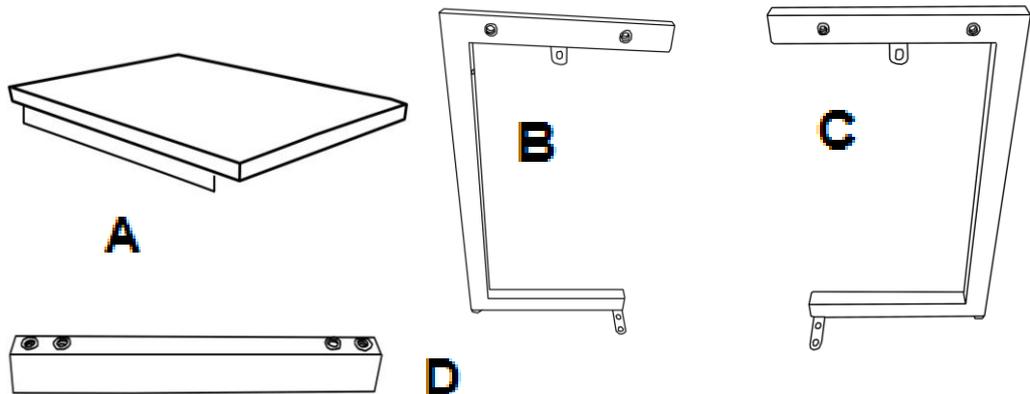

Assembly Steps

Overview

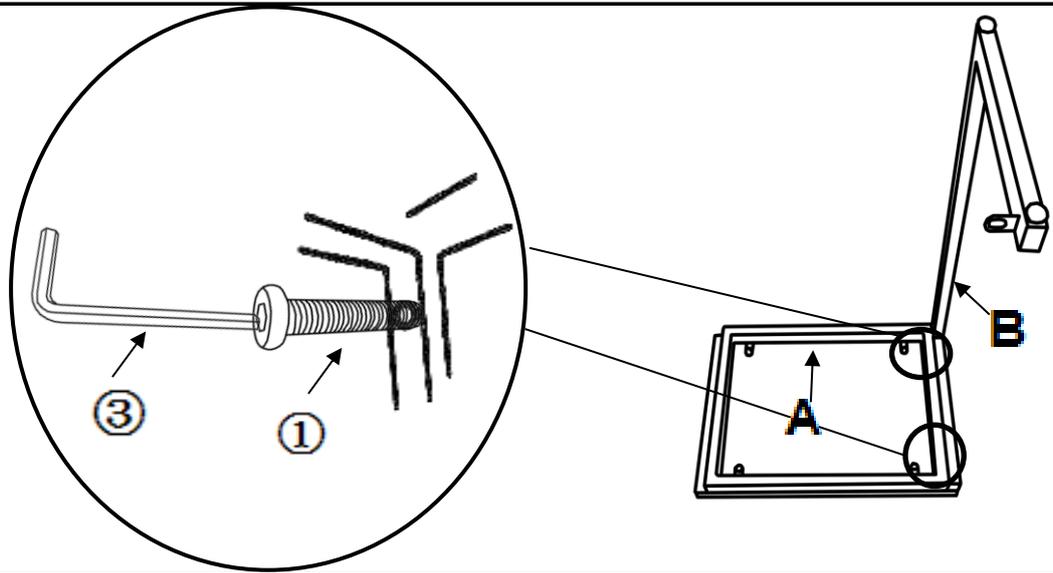

This Table has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Table parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

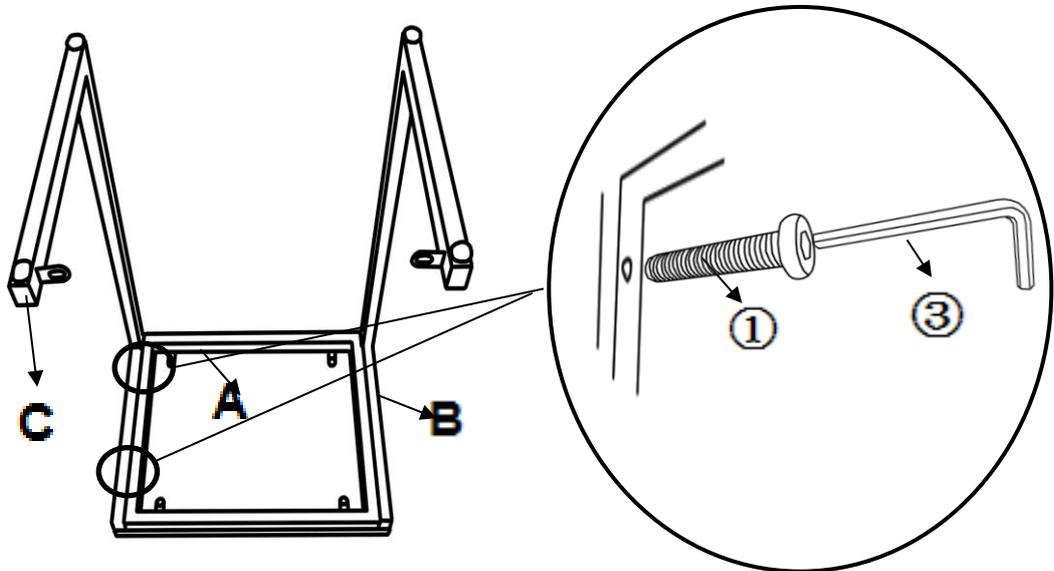

Open the carton and place all the parts onto a clean, non-marring surface.

Step 2

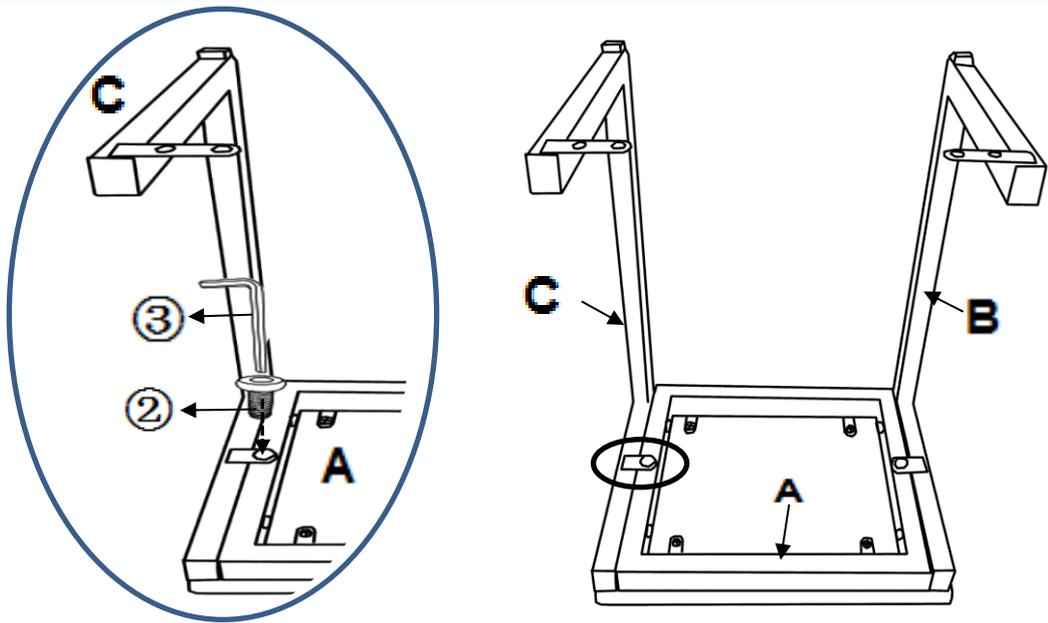

Attach the Left Side Support Bar(B) to Top Panel(A) using Bolts(①) with Allen Wrench(③) as shown above.
Do not fully tighten the Bolts.

Step 3

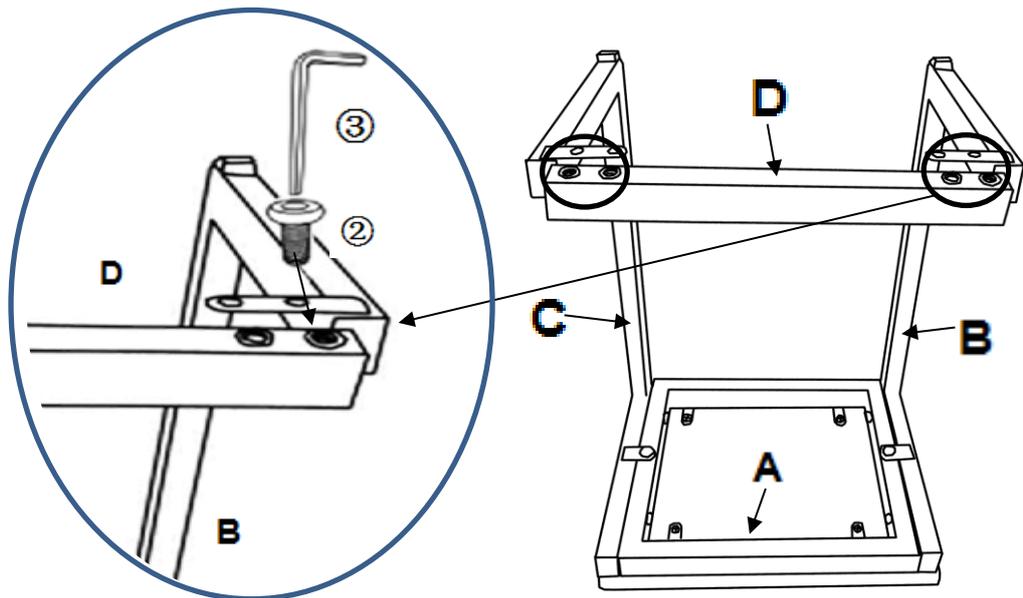

Attach the Right Side Support Bar(C) to Top Panel(A) using Bolts(①) with Allen Wrench(③) as shown above.
Do not fully tighten the Bolts.

Step 4

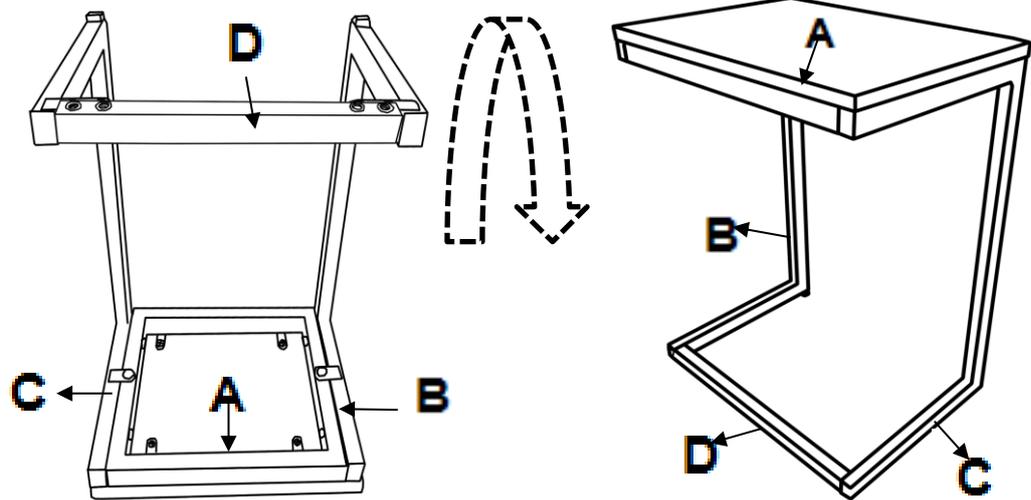

Attach the Top Panel(A) to Left Side Support Bar(B) and Right Side Support Bar(C) using Bolts(2) with Allen Wrench(3).
Do not fully tighten the Bolts.

Step 5

Attach the Base Support Bar(D) to Left Side Support Bar((B) and Right Side Support Bar(C) using Bolts(2) with Allen Wrench(3).
Do not fully tighten the Bolts.

Step 6

Stand the Table up.

Place the Table on a **LEVEL SURFACE**.

Inspect it and make sure all parts are adequately connected.

Gently and carefully, push down onto the Table.

This will help to align all parts at all the joints.

Then, in a sequential manner, proceed to tighten all Bolts.

When tightening the Bolts, tighten sequentially.

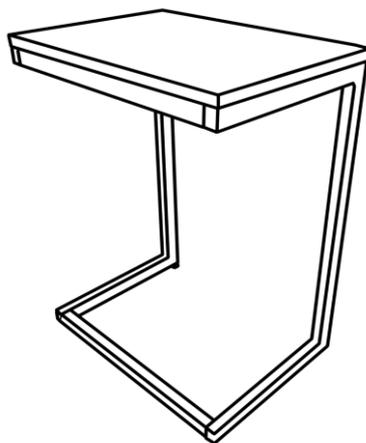

DO NOT tighten any Bolt fully and then move on to the next one.

This may cause the frame to warp.

If there are still wobbles, loosen the Bolts and execute the same process.

If the Table is not stable it could lead to damage to the product.

Step 7

Your Table is ready for use.

This Table can only be used on a flat, level surface.

Care & Maintenance

- Furniture may scratch floors. We recommend using furniture pads to protect your floors.

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- Do not place furniture under direct sunlight.

- Do not place furniture near heating or cooling vents.

- Do not write on furniture without a padded barrier to protect the surface.

- Not for commercial use. For residential use only.

- Stains may be removed with mild soap solution and damp cloth.

- Children should not climb or jump on the furniture.

- Dust and pick-up spills using a clean, non-colored, lint-free cloth.
