## Electrical, Light & Motor Specs

---

| No. | Name                                                                                       | Qty.  |
|-----|--------------------------------------------------------------------------------------------|-------|
| ①   | Motor Assembly                                                                             | 1     |
| ②   | Blades                                                                                     | 3     |
| ③   | Downrod<br>(5 inches and 10 inches, 5 inches one with hanger ball)                         | 1 Set |
| ④   | Mounting Bracket                                                                           | 1     |
| ⑤   | Canopy                                                                                     | 1     |
| ⑥   | Upper Cover                                                                                | 1     |
| ⑦   | Remote Set                                                                                 | 1     |
| ⑧   | Screws and Washers Package                                                                 | 1     |
| ⑨   | Magnetic Cover                                                                             | 1     |
| ⑩   | Light Kit (Light Cover+Light Plate)<br>(The LED board is pre-installed on the Light Plate) | 1     |

---

**Assembly Note:** The configuration of parts varies by model. On select units, the main body (Motor Assembly, Downrod, Canopy, and Upper Cover) is factory pre-assembled. For these models, the customer only needs to attach the fan blades and LED light kit. Other models may require full assembly of all listed components.

## Dimensions & Materials

---

| Dimension / Material                   | Specification                                        |
|----------------------------------------|------------------------------------------------------|
| Product Width                          | 60 in.                                               |
| Downrod Size(s)                        | 5 in., 10 in.                                        |
| Number of Blades Accommodated          | 3                                                    |
| Blade Length - End to End              | 28.98 in.                                            |
| Blade Width - At the Widest Point      | 6.22 in.                                             |
| Distance From Ceiling To Bottom Of Fan | 5 in. Downrod: 13.46 in. / 10 in. Downrod: 18.39 in. |
| Body Material                          | Metal                                                |
| Blade Material                         | ABS                                                  |
| Shade Material                         | PMMA                                                 |
| Shade Color                            | Milky White                                          |

# Electrical, Light & Motor Specs

---

| Category              | Technical Details                   |
|-----------------------|-------------------------------------|
| Input Voltage         | 120V                                |
| Motor Type            | DC Motor(Energy Efficient)          |
| Motor Power           | 35 Watts                            |
| Operation Mode        | Reversible (Summer/Winter Mode)     |
| Light Source          | Integrated LED Module               |
| Light Wattage         | 20 Watts                            |
| Luminous Flux         | 2000 Lumens                         |
| Color Temp (CCT)      | Warm White/Neutral White/Cool White |
| Color Rendering (CRI) | ≥ 80 Ra                             |
| Dimmable              | Yes (Remote Controlled)             |
| LED Lifespan          | 25,000 Hours                        |

# Replacement Accessories & After-Sales Support

---

| No. | Accessories                    |
|-----|--------------------------------|
| 1   | Remote                         |
| 2   | Remote Receiver                |
| 3   | 12 / 24 / 36 in. Downrod       |
| 4   | Extension Cord (with Light)    |
| 5   | Extension Cord (without Light) |
| 6   | Light Plate                    |
