

Offset Straight-Cutting Aviation Snips

Cut and trim sheet metal in comfort with the Klein Tools straight cutting Offset Snips. Snip blades are made of forged, heat-treated steel for strength and durability. Offset blades make it easier to cut in tight curves and keep the user's hand away from the metal. The contoured plastic handles with thumb guards are color-coded by cutting pattern.

Specifications

Type:	Offset	Application:	Cut and Trim Sheet Metal
Special Features:	Spring-loaded for Self-opening Action	Cutting Pattern:	Straight/Wide Curves
Color Code:	Yellow	Cutting Capacity:	18 Gauge Cold Rolled Steel and 22 Gauge Stainless Steel
