Steps to Install

HANG THE MIRROR#1

Measure the distance between the holes on the back of the mirror.
Find the place that you wanna hang the mirror and mark the two points using a pencil with same distance with the two holes on the back of the mirror

#02

Point 2 holes on the wall at the same level with a power drill, and drill 2 pilot holes for the anchors

#03

Insert the anchors and gently hammer until they are both flush with the wall
Next insert the screws into the anchors make sure there is 1/8 of an inch between a screw and the wall

#04

Carefully attach the mirror to the wall with the screws

ANOTHER WAY

Multiple angles are available with adjustable stand when the mirror is free standing

SMILE AT
YOURSELF IN THE
MIRROR
