BACKPACK VACUUM 6 and 10 Quart Sizes

- Lightweight aluminum wand connects to backpack by flexible static dissipating, super-stretch molded vacuum hose
- Angled hose connection prevents hose from hitting the operator. Reversible for left- or right-handed operators.
- Maneuverable. Clean high vents, under pianos or tables, and other hard to reach areas.
- Vacuum bag deflector keeps particles from tearing the bag
- Ingenious tapered tank design maximizes airflow
- Lightweight. Only 10 lbs.
- 170 square inches of sound deadening, waffle-foam insulation
- 50 foot extension safety power cord gives a wide cleaning area without replugging
- 4-level filtration reduces dust exhausted back into the room
- 12 month **Rapid ReplacementSM** Program guarantees working tools. Replacement equipment will be delivered **within 72 hours** if equipment problems cannot be diagnosed and corrected over the phone.
- Order replacement filter bags for 6 quart (BP10.6QT) or 10 quart (BP10.10QT)
