Notes:

1. Please refer to the installation instructions accordingly, for your installation of the specific model.
2. Due to the ceramics process, dimensions may vary from at most 1-1/2 inches. Please use the actual sink dimensions to determine the cutout dimensions for your countertop.
3. With continuing product improvement, Eridanus reserves the right to make revisions to product specifications without notice. Please find the most up-to-date specification information on specific product page.
