Steps to Install

Figure out a place that you wanna hang the mirror. Then mark the height using a pencil align a ruler with the top of the holes on the back of the mirror

Point on the wall with a power drill, and drill a pilot hole for the anchor

Insert the anchor and gently hammer it until they are both flush with the wall

Next insert the screw into the anchor make sure there is 1/8 of an inch between a screw and the wall

Carefully attach the mirror to the wall with the screw and clean the mirror

SMILE AT
YOURSELF IN THE
MIRROR :)
