

Van Zyverden's
DWARF IRIS HALKIS

These graceful bulbous perennial Iris grow elegant flowers which bloom atop grass-like foliage. They are easy to grow, and if zone appropriate, are great for naturalizing.

Rare in availability

Returns for years to come

Deer and critter resistant

About This Variety: Iris Halkis not commonly available in retail stores. Its is smaller in stature then the other dwarf Iris, as it's growth is more slender. It flowers in various shades of blue, with a yellowish eye. Rare in availability, order early as supplies will not last the season.

Growing Instructions: Choose a site that has reasonably fertile soil and plenty of moisture that won't dry out in summer. Good drainage and a sheltered location will help them survive the winter.

Care Tip: Plant about 30 bulbs per square foot. Zone 5 gardeners should add a 2" layer of mulch in fall. Best planted in large numbers.

Exposure: Full sun to partial shade

Height: Grows 6-8" tall

Spacing: Plant 2-4" apart, 2-3" deep

USDA Zones: Hardy in USDA zones 5-9

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
