

Installation procedure diagram

- 1: Fix the hanging plate to the junction box with screws on the fitting pack
- 2: (1) Connect transparent wire wire to household wire wire with wire cap (L)
 (2) Connect transparent wire neutral wire and household wire neutral wire with wire with wiring cap (N)
 (3) Please note that exposed wires should not be exposed to avoid leakage. Connect the ground wire and main ground wire to the mounting bracket using green screws. (E)
- 3: Set the whole lamp to the hanging plate, and then twist the screw into the tooth on the side of the hanging plate (without a screwdriver).
- 4: Screw all the crystal flowers into the hole reserved in the lamp body
- 5: Adjust the crystal string after all the crystal strings are installed. Let the crystal string spread evenly
- 6: Insert the bulb into the lamp holder (the lamp factory without the bulb)

SAFETY INFORMATION

Please read and understand this entire manual before attempting to assemble, operate or install the product.

CAUTION: Read instructions carefully and turn electricity off at main circuitbreaker panel before beginning installation.

CAUTION: Risk of fire. Min. 90° C supply conductors. Consult a qualified electrician to ensure correct branch circuit conductor

WARNING: If any Special Control Devices are used with this fixture, follow instructions carefully to assure full compliance with N.E.C. requirements. If there are any questions, contact a qualified electrical contractor.

CAUTION: All glass is fragile. Use care when handling glass shades and bulbs.

PREPARATION

1. Before beginning installation, make sure all parts are included using the contents diagrams from page 1. If any part is missing or damaged, do not attempt to assemble, install or operate the product.
2. Tools required for assembly (not included): Phillips screwdriver, spanner, wirestripper, safety glasses, electrical tape, ladder, etc.

CARE and MAINTENANCE

Shut off main power supply before cleaning product or changing light bulbs. To clean, wipe with damp cloth. Do not use abrasive cleaners or cleaners that contain alcohol.
