The Next Generation of Motion & Security Floodlighting is here! The SEC Series is designed to give homeowners a smarter, more flexible way to light and protect their property.

Available in 1-, 2-, and 3-head configurations with matte black or white finishes, these fixtures upgrade dated outdoor lights with modern LED efficiency, selectable brightness, and tunable white color temperatures.

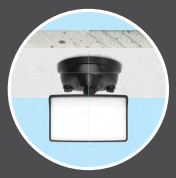

With three operating modes—motion-activated, dusk-to-dawn, or a combination of both—and a 240° motion sensor that detects movement up to 45 feet away, the SEC Series delivers targeted, dependable outdoor security lighting that's built to last up to 50,000 hours and backed by a 5-year limited warranty.

Product Features

- Single, Twin & Triple head integrated LED Security Floodlights
- Choose from motion, dusk-to-dawn, or motion + dusk-to-dawn modes
- **Motion Sensor:** 240° coverage; up to 45 ft detection range
- **Brightness Control:** Selectable 25–100% light output
- **Brightness (Lumens):** Up to 1500 lm (1-head); 2500 lm (2-head); 3500 lm (3-head)
- **CCT:** 5-position selectable white (2700K, 3000K, 4000K, 5000K, 6500K)
- **Heads & Aiming:** Adjustable heads for targeted coverage of driveways, yards, and entrances
- **Mounting:** Tool-less plug-in or hardwired to standard outdoor junction boxes, wall or eave installation
- Wet location-listed; IP65 rated for outdoor use
- Available in matte black and white finishes
- 50,000 hrs of maintenance-free operation
- 5-year warranty
