

BORA®

NGX CLAMP EDGE™

SET IT. CLAMP IT. CUT IT.

Extreme Durability

Made of heavy-gauge, rigid aluminum.

Clamps Firmly

Locking handle grabs work surfaces for secure grip that won't budge.

96 Inch Cutting Capacity

48" Quick-Connect Extension

Instantly attach the 48" Extension for 96" of total cutting capacity. No tools required!

Adjust from one side

The moveable clamp is connected to the handle. Hook the clamp edge across the board, line it up with the cut, and clamp it down – all without moving your feet.

The all-new BORA® NGX Clamp Edge System makes it even faster and easier to break down sheet material and rip boards with clean, accurate cuts every time. Simply hook the Clamp Edge across your board, line it up with your cut, and clamp it down — all without moving your feet. The ergonomically designed sliding clamp handle allows easy one-side adjustability. Quickly lock work surfaces securely in place with a tight grip that won't budge. Made of heavy-gauge, rigid aluminum for extreme durability, the 96" Clamp Edge is comprised of the 48" Clamp Edge and 48" Clamp Edge Quick Connect Extension. It is designed for use with circular saws, routers, jig saws, and other portable power tools, as well as the NGX Saw Guide System accessories.
