### **Amerock, LLC Limited Warranty**

Amerock, LLC ("Amerock") warrants that Amerock® products will be free from defects in material and workmanship for as long as you, the original purchaser, own the product. This warranty is effective as of April 21, 2021 and supersedes all previous written Amerock warranties. If an Amerock product is found to have a defect in material or workmanship during the warranty term, Amerock will send to the original purchaser, without charge, a new replacement product of the same or comparable style and quality.

The warranty period for products containing natural materials, including but not limited to leather, marble, or wood, is one year from the date of purchase for manufacturing defects. This Limited Warranty does not cover normal wear and tear or improper use or care of the product. Variations in shade, texture, and natural markings are all characteristics of natural materials.

### **Conditions and Exclusions**

This Warranty applies only to Amerock products that were purchased from Amerock or an Amerock authorized seller, unless otherwise prohibited by law. Amerock reserves the right to reject warranty claims for Amerock products purchased from unauthorized sellers, including unauthorized Internet sites.

Normal wear and tear from daily use is not covered under this warranty. The appearance of materials such as leather, wood, marble, and other natural materials can be expected to naturally change or wear over time and with normal usage. Other exclusions include damages incurred as a result of installation, replacement, or repair, and damages due to improper cleaning, misuse, or neglect or exposure to corrosive conditions.

There are no warranties beyond those stated herein. Any implied warranties that may be applicable to products, including implied warranties of merchantability or fitness for a particular purpose, are limited in duration to the duration of this warranty. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

This warranty does not include the removal or installation of Amerock products, which are the responsibility of the original purchaser. The warranty does not cover product failure caused by normal wear and tear, product misuse or abuse, improper installation, improper cleaning, accident, natural disaster, corrosive conditions, outdoor use, or alteration of any kind.

All Amerock finishes are handcrafted and held within a tight range of color variations. Slight variations in finish are not considered defects in material or workmanship.

Under no circumstances shall Amerock be liable for any special, incidental, or consequential damages based upon breach of this warranty, breach of contract, or strict liability. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may have other rights which vary from State to State.
