

Transform Any Surface Into a Whiteboard

Use Maintenance and Cleaning

Markers

ReMARKable works best with low odor dry erase markers.

Permanent markers should not be used on the surface. If permanent markers are inadvertently used, use ReMARKable Dry Erase Cleaner to remove followed by water dampened cloth.

Cleaning

Wiping with a micro fiber cloth should be done for daily cleaning.

For periodic thorough cleaning use ReMARKable Dry Erase Cleaner followed by water dampened cloth.

DO NOT USE:

- Harsh solvents or cleaners
- Solvent based dry erase cleaners
- Abrasive pads or steel wool
