## BEFORE STARTING

- Read each step carefully before starting. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
- Make sure all parts are included. Most board parts are labeled or stamped on the raw edge.
- Work in spacious area, preferably on a carpet, near the place the unit will be used.
- Have the following tools close at hand.
- Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.

## HELPFUL HINTS

- Visit our website for assembly video clips.
- Call our toll free number if you need assistance.
- Compression dowels are tapped in with a hammer.
- Back panels provide stability and support. Use all the nails provided. Units without the back panel installed may collapse.
- When tapping nails into a board, be sure there are equal margins on all side to square the unit.
- Move your new furniture carefully, with two people lift and carry the unit to it's new location.
- Never push, drag or scot your furniture (especially on carpet).
- Your ALTRAFURNITURE can be disassembled and reassembled to move.
- Additional parts are available for a nominal fee.
