

TECH HOOK

OWN YOUR SPACE - Hang whatever you want, wherever you want!

- Versatile design with multiple hanging solutions
- Heavy-duty, eco-friendly nylon material
- Mount in multiple ways, on multiple surfaces

TECH HOOK

A simple, easy-to-use hook with two holding points to hang a variety of hand-held tech devices.

INSTRUCTIONS

Tape Application:

- Clean surface
- Peel & adhere mounting tape to hook
- Stick on wall & hold for 30 seconds
- Wait 60 minutes for maximum adhesion

Note: Max weight 4.4 lbs. Tape is permanent and may damage wall when removed. Do not apply to wallpaper or surfaces which aren't securely attached to wall.

Screw Application:

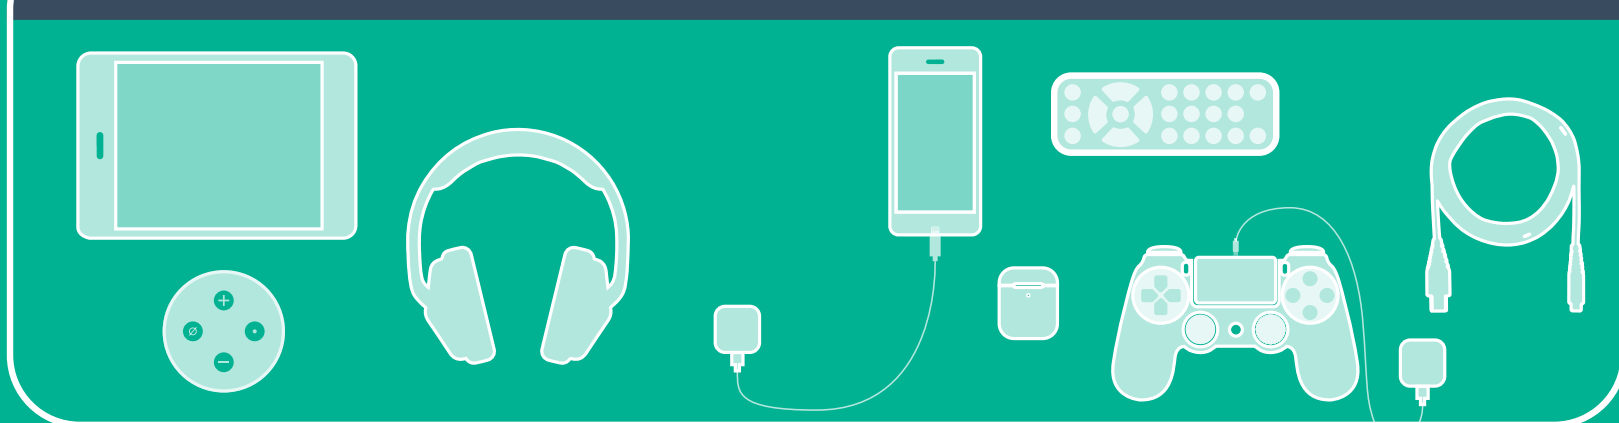

- Drywall Surfaces - Mount with anchors
- Wood Surfaces or Wall Studs - Screw directly into wood

Note: Max weight 11 lbs. when screwing directly into wood.
