This Limited Lifetime Warranty includes motor and motor-related parts only, which will be replaced or repaired as determined by Sea Gull Lighting during the period in which this warranty is in effect, as further defined below. For plated finishes, wood blades and switches, the warranty period is ninety (90) days. If parts should fail within the warranty period due to a defect in materials or workmanship, we will repair or replace the parts free of charge when the parts and labor are provided by our service center. If the original user or consumer purchaser ceases to own the fan, this warranty and any other implied warranty will be voided. This warranty is in lieu of all other express or implied warranties. The duration of any implied warranty, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, in respect to any ceiling fan motor parts or accessories is expressly limited to the period of the express warranty set forth above for such motor, parts, or accessories. This warranty is voided if your fan is not purchased from an authorized dealer and installed in the United States or Canada.

This warranty does not apply and is voided in case of improper installation, failure or supporting devices not supplied, such as original mounting hardware, neglect, accident, misuse, exposure to extremes of heat or humidity, or as a result of modification to the original product. All costs of removal and reinstallation of the fan are the expressed responsibility of the original user/purchaser.
