

# THINLED MULTI

## MULTI-APPLICATIONS, MULTI-COLORS

With the THINLED MULTI you can now easily convert a standard Octagon Box into a recessed downlight and have the capabilities to retro-fit a traditional 4" downlight to a LED fixture. THINLED MULTI also combines functionality with design as it is packaged and sold with three different colored trims that are magnetically interchangeable for a look that will suit any location. With a built-in driver for easy installation, upgrading to a THINLED fixture is the obvious choice!

## FEATURES & BENEFITS

- Packaged and sold with 3 plastic trims: White, Silver and Black
- For use with a standard octagon box or 4" recessed housing
- On-face magnets secures one of the three included dead front magnetic trims
