

VanZyverden's
WIND FLOWER/ANEMONE BLUE SHADES

Anemones are lovely small bulbs and are often underestimated like a little treasure. They are an excellent ground cover and a good choice for woodland and rock gardens. The foliage is low-clumping, but the blooms are very colorful.

Single daisy shaped flowers

Sought after blue color

Great carpet like groundcover

About This Variety: Blue shades delivers that sought after blue hue in the garden.

Growing Instructions: Inexpensive and easy to grow, they are the perfect companion for late daffodils and later blooming tulips. For best effect, plant in mass sweeps with a lavish hand, planting about 16 per square foot. Purchase several packs to produce that colorful curb appeal effect.

Care Tip: Soak the corms in lukewarm water overnight before planting to jump start development. Plant after danger of frost.

Exposure: Full sun to partial shade

Height: Grows 12-18" tall

Spacing: Plant 2" apart, 2-3" deep

USDA Zones: Hardy in USDA zones 7-10

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
