

# Use and Care Manual

Thank you for choosing the **Cavallo 7-Piece Aluminum Outdoor Dining Set**. To ensure the longevity, comfort, and functionality of your dining set, please follow these simple care instructions:

## Use Instructions:

- **Assembly:**

Some assembly required; hardware and instructions are included for quick and easy setup.

- **Outdoor Use:**

This set is designed for outdoor use and can withstand various weather conditions. However, to extend its lifespan, it's recommended to cover the set when not in use, particularly during extreme weather conditions like heavy rain or snow.

- **Cushion Care:**

The cushions are made from high-quality Sunbrella fabric, known for its durability, water resistance, and fade resistance. To maintain their shape and cleanliness, remove the cushions during extended periods of non-use, and store them in a dry, cool location.

## Care Instructions:

- **Cleaning:**

**Frame:** Wipe the aluminum frame with a soft cloth or sponge. For deeper cleaning, use mild soap and water.

**Cushions:** The Sunbrella cushions are easy to clean. Spot clean with mild soap or a diluted bleach solution for stubborn stains. Do not use abrasive cleaners or scrubbers on the fabric or frame, as they may damage the finish.

**Swivel Rockers:** The swivel mechanism may need occasional lubrication to ensure smooth movement. Apply a light oil lubricant to the swivel base if it becomes stiff.

- **Storage:**

When not in use, store the chairs and table in a dry, cool place. If possible, use a protective cover to shield the set from dirt, dust, and moisture. When storing indoors, ensure that the cushions

are kept in a dry place to prevent mold or mildew buildup.

- **Protection:**

The aluminum frame has a powder-coated finish for extra protection against the elements, but prolonged exposure to harsh weather can cause wear. Protect your set with a cover or move it indoors during severe weather to ensure longevity.

## **Safety Precautions:**

- Ensure the dining set is placed on a flat and stable surface to prevent tipping or rocking.
- Avoid dragging the furniture across rough surfaces as it may damage the frame or the floor.
- When using the swivel rockers, always sit gently and avoid excessive force to prevent any wear on the swivel mechanism.

We hope you enjoy your **Cavallo 7-Piece Aluminum Outdoor Dining Set**. If you have any questions or need assistance, please feel free to contact our customer service team.
