

Product Name:	2-Drawer 2-Shelf Natural Wood Mobile Storage Cart
SKU #:	WH194

Thank you for purchasing this LuxenHöme product. This product has been manufactured with the highest standards of safety and quality.

Table Assembly:

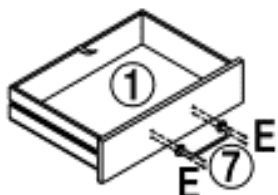

Important:

Tighten each cap nuts firmly. DO NOT over tighten any of the cap nuts as this may strip the screws. DO NOT sit or stand on the table as this may damage the product and cause serious bodily injury.

Tool required for assembly: Phillips Head Screwdriver or Handheld Drill.

Turn top table on its side with the drawer openings facing up. Line up the legs with the predrilled holes.

Note: Two of the legs have locking casters. It is recommended that these be placed on the same side (left or right), not front and back of the cart.

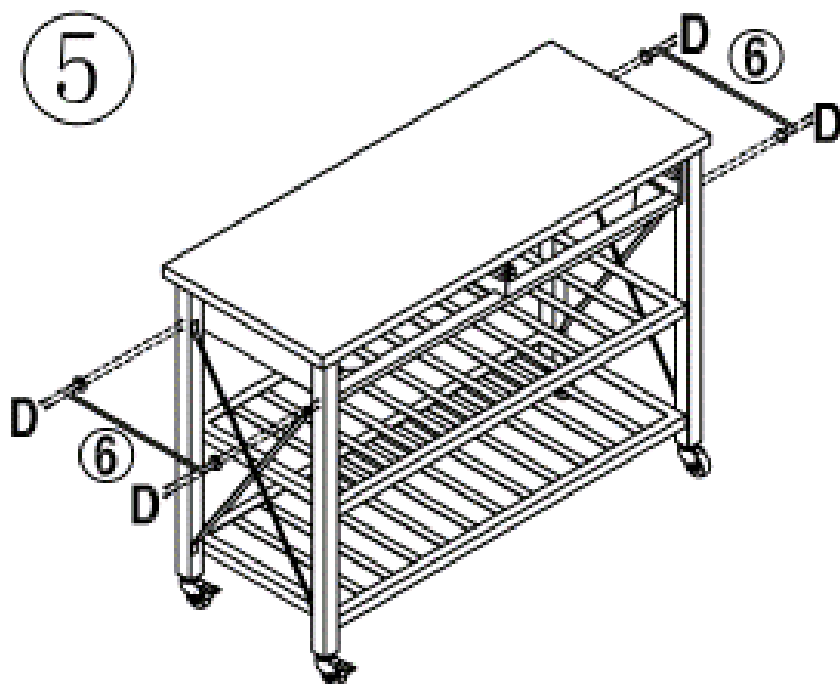

Turn the table on its side, and insert shelves (lining up the predrilled holes). Please make sure that shelves are installed top side up (shelves should be level).

To install the handles (6), first measure for the holes to be drilled into the side of the table (measurements: 3.5" from the underside of the table on the right and left leg). Use a drill to attach the handles on each side by lining up with the marked measurements.

Product Name:	2-Drawer 2-Shelf Natural Wood Mobile Storage Cart
SKU #:	WH194

Insert the two drawers. Lift upward slightly to avoid damaging the tab in the back of the drawers.

Care and Maintenance:

Take a clean, soft cloth and moisten it with clean water.

Wipe the table with the moistened soft cloth.

Rinse the cloth with clean water and wipe the table again with the clean cloth.

It is recommended to dry the surface with a dry, soft cloth. It is important to dry the table to prevent any moisture from soaking into the wood, which may cause it to warp or crack.

Enjoy your new mobile storage cart!
