

29 cu. ft. OneTouch AutoFill™

French Door Refrigerator

MRF29D9BST Stainless Steel

Our OneTouch AutoFill™ is the first auto-sensing dispenser for both ice and water. Simply make your selection and step away; the dispenser will automatically detect the size of your cup and fill it with the perfect amount of both ice and water. The OneTouch AutoFill™ senses when to stop, so you can keep your routine moving without having to wait around. Using the adjustable Infinite Shelf and Door Bin, you can easily customize the refrigerator's interior space to fit items of various sizes—without removing any of the contents. Featuring a sleek exterior and practical innovations, this refrigerator is ideal for upgrading your modern kitchen.
