STEP 1A: Side Supports

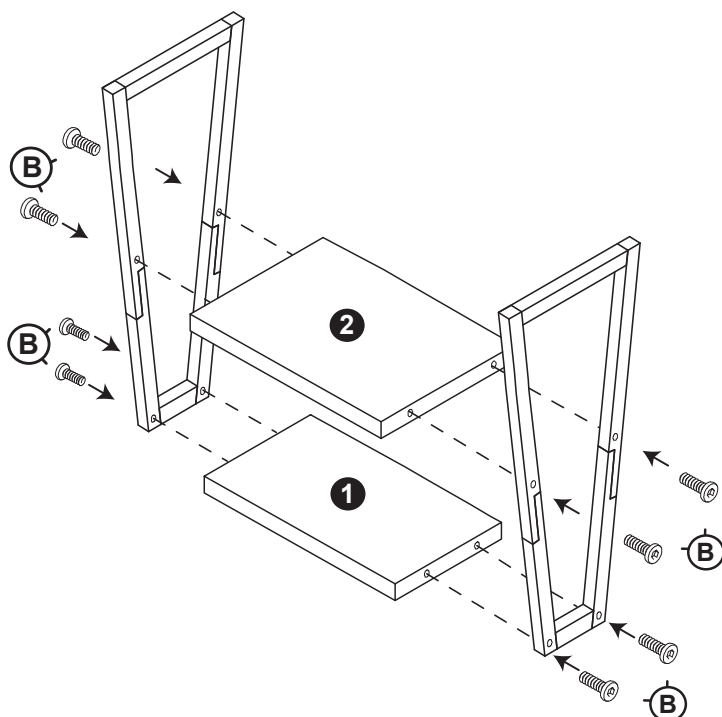

- Use two short screws (B) and a hex wrench (D) to connect top and bottom left supports (8 & 9).
- Use two short screws (B) and a hex wrench (D) to connect top and bottom right supports (6 & 7).

**STEP 1B: Side Frames**

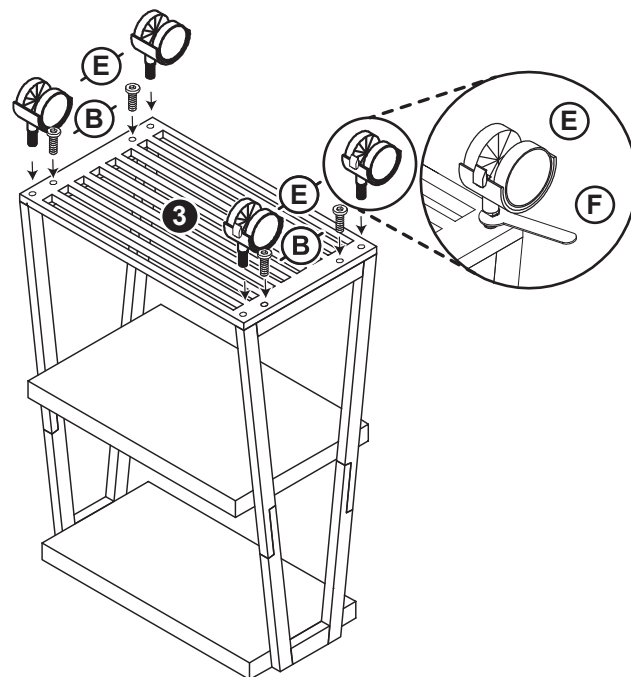

- Place two dowels (C) into the smaller holes on each small horizontal support (4) and large horizontal support (5).
- Install the small horizontal support (4) and large horizontal support (5) onto one side support at a time using four long screws (A) and a hex wrench (D).
- Repeat **step 1** to assemble the second frame.

STEP 2: Top & Middle Trays

- Assembling upside-down. Use 8 short screws (B) and a hex wrench (D) to install the small top tray (1) and medium middle tray (2) between the side frames. **Note:** make sure the larger holes on the frames should face outward.

**STEP 3: Bottom Shelf and Wheels**

- Install the large bottom shelf (3) using 4 short screws (B).
- Using an open wrench (F) install 4 wheels (E). Make sure the locking wheels are on adjacent easily accessible side.
