

D-WP30 MultiSINK

D-WP30 18ga MultiSINK Kit with Glass Cleaning Station & WaterWALL

Includes a 33" X 22" X D10" 18ga 304 Stainless Steel, Dual Mount, Multi Level Kitchen Sink with Glass Cleaning Station. A 304 Stainless Steel, High Neck Faucet and Tailor-Made Accessories

MultiSINK Features:

- With it's 3 working levels the **MultiSINK** provides Total Freedom for Kitchen work. All accessories can be placed freely in any of the different levels
- Unique & Convenient built in **Glass Washing Station** to clean glasses & mugs
- Comes with **Two Large Drying Grilles** to dry glasses, sponges, etc. optimizing your deck space
- Revolutionary adjustable-angle **WaterWALL** rinsing ensures thorough cleaning of vegetables and fruits, large plates and chopping board with ease
- High grade, durable 304 Stainless Steel sink and ALL accessories
- Dual mount sink, can be top mount or under mount. All hardware included
- Expertly handcrafted sink with a precision slope for effortless drainage, combining functionality with timeless elegance
- Designed with a 5mm radius on each corner for a sleek look and easy maintenance
- Large 16.85" x 7.9" Colander for washing & rinsing
- Three 16.85" x 12.75" and one 16.85" x 3.5" Roll-up Grids that protect sink and can be placed in all the levels as extra utility racks and working surface. Its heavy-duty grade can carry pots & pans and its roll-up capabilities make them very easy to store away. They also provide you with a completely flat working area at the bottom of your sink!
- 16.85" x 11.8" Eco-Friendly Bamboo Double-Sided Chopping Board. The closed juice groove side can be used on the counter-top; the open juice groove side can be used straight on the sink guiding the juices back into the sink. No mess.
- Modern Stainless Steel Strainer with high capacity basket to collect debris
