Alexa, Bedroom lights off

Hey Google, lights on

### CREATE SCHEDULES

Schedules help you turn on/off your devices & keep your home safe and sound.

### CONTROL FROM ANYWHERE

Manage and monitor your devices from anywhere using the Cree Lighting App.

# Smart Cameras

See, hear, and monitor from anywhere.

**Smart Floodlight Camera**

Upgrade your outdoor security with a motion-activated security camera and built-in floodlight. Use the Cree Lighting App to view, record, two-way talk or activate a siren alarm to keep your home safe.

**Smart Outdoor Camera**

Easily install cameras outside to protect your home. Use the Cree Lighting App to view, record, and two-way talk from anywhere.

**Smart Indoor Camera**

Mount on a wall or place on a flat surface in any room in your home. Use the Cree Lighting App to view, record, and two-way talk from anywhere.

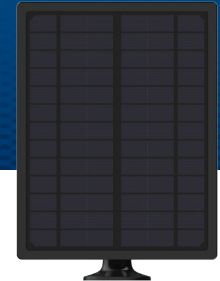

**Smart Video Doorbell**

See who is at the door from anywhere. Use the Cree Lighting App to see visitors, get real-time alerts when motion is detected and keep an eye on your home no matter where you are.

**Chime for Smart Video Doorbell**

Wireless doorbell chime. Hear notifications anywhere in your home when someone rings your Connected Max Video Doorbell.

**Solar Panel for Outdoor Camera**

With just a few hours of direct sunlight every day, keep your Connected Max Outdoor Camera battery charged around the clock with non-stop solar power.

# Smart Controllers

Expand your control options.

**Smart Indoor Plug**

Control from anywhere in the Cree Lighting App. Turn on/off, create schedules, monitor power use, and group with compatible Connected Max devices. Ideal for lamps, kitchen appliances, holiday lights, fans, and more.

**Smart Outdoor Plug**

Control from anywhere in the Cree Lighting App. Turn on, off, create schedules, and group with compatible Connected Max devices. Ideal for outdoor string lights, landscape lighting, holiday lights, fans, heaters, and more.

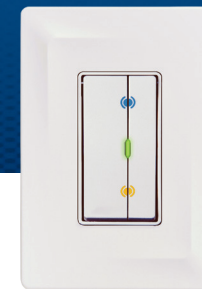

**Smart Remote Control & Dimmer**

Turn on, off, dim, or tune from warm white to daylight in a single Connected Max light or a group of lights. No wiring necessary. Simple control for kids & guests. Use as a hand-held remote, or attach to the wall.

**Smart In-Wall Dimmer Switch**

Keep your current dimmable LED, incandescent or halogen bulbs & make them smart by replacing your switch. Turn on, off or dim at the wall, or from anywhere with the Cree Lighting App.

**Smart In-Wall Dimmer & Tunable Controller**

Extend control of your Connected Max lights at the switch. Turn them on or off, dim and change your white light from warm candlelight to cool sunlight—all at the wall.

**Smart In-Wall 5-Button Scene Controller**

Configure each button to control any light or group in your home exactly how you want and turn on your favorite color light or scene right at the wall.
