

Lufkin®

Compact Centerline Balance 4-Inch Measuring Wheel

Centered Simplicity

Centered wheel for better balance and greater accuracy

The Lufkin® Compact Centerline Balance 4-Inch Measuring Wheel is designed for ultimate accuracy. Its single center-mounted wheel provides superior balance and maneuverability, while its direct gear drive counter delivers unmatched precision. The counter readout is positioned above the wheel, closer to the user for improved readability and ease of use.

- *Centered single wheel for improved balance and maneuverability*
- *Gear drive counter for superior accuracy and durability*
- *Counter readout positioned above wheel for improved readability*
- *Telescoping handle for infinite fit adjustment*
- *Heavy-duty counter reset*
- *Also available in metric*
