

## GPI MILLWORKS' DOOR COMPONENT WARRANTY

---

GPI Millworks warrants its door components to be free from defects in materials and workmanship for a period of two (2) years from the purchase date. GPI Millworks, at its own option, will refund the purchase price or replace the materials that are found to be defective as long as installation is in accordance with standard millwork industry techniques and is notified in writing within sixty (60) days of the original complaint. No salesman, agent, employee or representative of GPI Millworks has the authority to change the terms of this warranty. GPI Millworks will not be responsible for any indirect, consequential or incidental damages or loss, including, but not limited to, loss of profits or revenues, whether statutory or based on theories of contract or tort.
