

PATIO STONES | ALAMEDA® PATIO STONE

The naturally-weathered look of Keystone's Alameda patio stone, provides an element of customization to every walkway, patio or hardscape project. The beauty of naturally-weathered river stone combines with a single unit installation to simplify the creation of stunning outdoor spaces. With complementing wall & edger, the Alameda collection takes the guess work out of designing - transforming a project, into a showpiece.

Complementing Alameda wall & Alameda edger

One unit size - two unique faces.

Unit Dimensions:

2³/₈" h x 11" w x 13" d (60mm x 279mm x 330mm)

Weight.: 26 lbs (12 kg)

Units/sq.ft.: 1

FEATURES & BENEFITS

Perfect for:

- Patios
- Walkways

Easy to Install:

- One unit, two unique face styles, simplifies installation.
- Units utilize Xeristone® Technology for a secure unit-to-unit interlock.

High-Performing Natural Elegance:

- Irregular face shapes skillfully create the illusion of individual river stones.
- Alameda Patio Stone combines a naturally weathered look with the strength and long-term durability expected from a Keystone product.

Note: Unit color, dimensions, weight & availability varies by manufacturer.
