

## PATIO STONES | ALAMEDA® PATIO STONE

The naturally-weathered look of Keystone's Alameda patio stone, provides an element of customization to every walkway, patio or hardscape project. The beauty of naturally-weathered river stone combines with a single unit installation to simplify the creation of stunning outdoor spaces. With complementing wall & edger, the Alameda collection takes the guess work out of designing - transforming a project, into a showpiece.

# **FEATURES & BENEFITS**

#### Perfect for:

- Patios
- Walkways

### Easy to Install:

- One unit, two unique face styles, simplifies installation.
- Units utilize Xeristone® Technology for a secure unit-to-unit interlock.

Complementing Alameda wall & Alameda edger

One unit size - two unique faces.

Unit Dimensions: 2<sup>3</sup>/<sub>8</sub>"h x 11"w x 13"d (60mm x 279mm x 330mm) Weight.: 26 lbs (12 kg) Units/sq.ft.: 1

### **High-Performing Natural Elegance:**

- Irregular face shapes skillfully create the illusion of individual river stones.
- Alameda Patio Stone combines a naturally weathered look with the strength and long-term durability expected from a Keystone product.

Note: Unit color, dimensions, weight & availability varies by manufacturer.
