

***There is more than one version of this model.
Page down to identify the version you have.***

The diagram illustrates the exploded view of a kitchen sink assembly. The main components shown are:

- Faucet (198971SRS)**: A single-lever faucet with a curved spout.
- Refer to page 2 for service kits**: A text label pointing to the faucet assembly.
- Soap Dispenser 169253SRS Spot Resist Stainless**: A vertical soap dispenser with a pump handle.
- Underdeck Kit 344113**: A cylindrical component that fits under the sink.
- Drain M8632 22037**: A circular drain assembly.
- Mounting Nut & Screws (x10)**: Two types are listed: **181250 Top Mount** and **22650 Under Mount**.

The sink itself is a double-basin stainless steel unit. The diagram shows the relative positions of these components for installation.
