What Does This Warranty NOT Cover?

Labor Excluded: This warranty does not cover any costs or fees associated with labor (including electrician's fees) required to install, remove, or replace a fan or any fan parts.

The warranty will be invalid if the customer fails to establish proof of purchase or if the fan was purchased from an unauthorized dealer.

The warranty does not cover normal wear and tear or cosmetic damages. If the fan is damaged due to improper installation, misuse, improper care, modifications to the fan, improper or incorrectly performed maintenance or repair, improper voltage supply or power surge, use of improper parts or accessories, failure to provide maintenance to the fan, or natural disasters (e.g. flood), the warranty will not cover it. The warranty also does not cover any accidental damages.

The warranty only applies to the original purchase and starts from the original purchase date. Any replacements will be considered as a part of the original purchase.
