

Metal Roof Edges / Specialty Metals

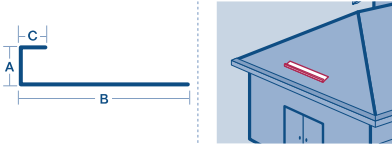

1 ROOF EDGE

Provides a neat appearance and protects roof edges diverting water away from the structure.

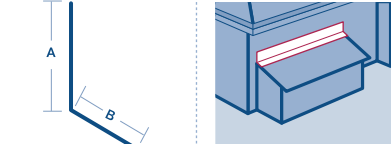

2 RAIN DIVERTER

For pitched roofs above doors, windows & walkways where there is no gutter present.

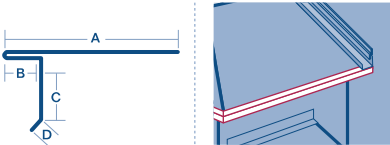

3 ROOF-TO-WALL

Protects against leaks at roof to wall intersections.

4 STYLE "F" ROOF EDGE

Provides a neat appearance and protects roof edges diverting water away into the gutters.

5 Z-BAR

Protects top edge of siding sheets from water. Use with "L" flashing for roof-to-wall joins.

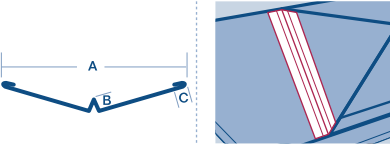

6 STEP FLASHING

For flashing chimneys and when a short length of 90 degree "L" flashing is needed.

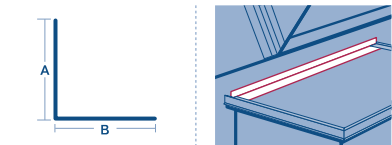

7 "W" VALLEY

Directs rain water run-off where two roof slopes form a valley.

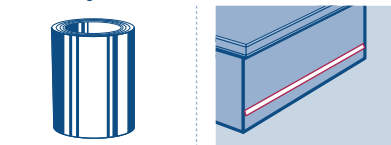

8 "L" FLASHING

Protects against leaks at walls & chimney-to-roof connections.

9 ROLL FLASHING

Galvanized, Aluminum, Vinyl, or Copper. Various lengths & widths.

SPECIAL ORDER

See a Lowe's employee at the Commercial Sales desk for your custom sizes.

Bordes metálicos para techos y metales especiales

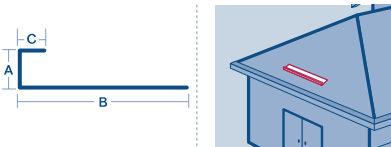

1 BORDE DE TECHO

Brinda una apariencia prolija y protege los bordes del techo que desvían el agua de la estructura.

2 DESVIADOR DE LLUVIA

Para techos con pendientes sobre puertas, ventanas y senderos donde no hay canaletas.

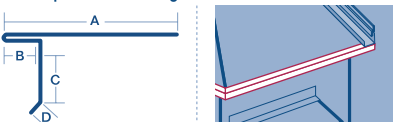

3 UNION DE TECHO CON PARED

Evita que se formen goteras en las intersecciones del techo con la pared.

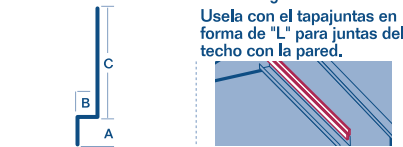

4 BORDE DE TECHO EN FORMA DE "F"

Brinda una apariencia prolija y protege los bordes del techo que desvían el agua hacia las canaletas.

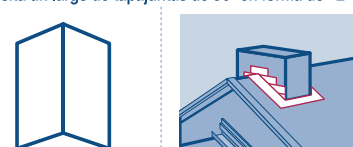

5 BARRA EN FORMA DE "Z"

Protege el borde superior de las hojas de los paneles de revestimiento exterior contra el agua.

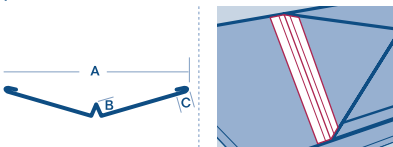

6 TAPAJUNTAS ESCALONADO

Para usar en chimeneas con tapajuntas y cuando se necesita un largo de tapajuntas de 90° en forma de "L".

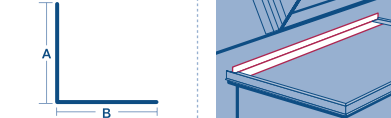

7 VALLE EN FORMA DE "W"

Dirige el agua de lluvia a los lugares donde dos pendientes de techo forman un valle de techo.

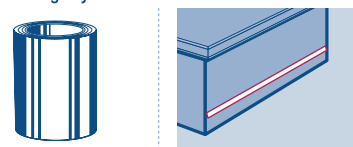

8 TAPAJUNTAS EN FORMA DE "L"

Evita que se formen goteras en las paredes y en conexiones de la chimenea al techo.

9 TAPAJUNTAS EN ROLLO

Galvanizado, de aluminio, de vinilo, o de cobre. Diversos largos y anchos.

PEDIDO ESPECIAL

Consulte con un asociado de Lowe's en el mostrador de ventas de Lowe's para informarse sobre los tamaños a medida.
