ONE-YEAR LIMITED WARRANTY

IMPORTANT: Evidence of original purchase is required for warranty service.

WARRANTOR: Atoms Labs LLC ("ALC") ELEMENTS OF WARRANTY: The ALC warranty covers the product for one (1) year from the documented date of purchase. The purchase date must be documented with either an original sales receipt from the first retailer selling the product or by credit card receipts or statements.

WARRANTY DURATION: This warranty to the original user shall terminate & be of no further effect 12 months after the date of original retail sale. The warranty is invalid if the Product is (A) damaged or not maintained as reasonable or necessary, (B) modified, altered, or used as part of any conversion kits, sub-assemblies, or any configurations not sold by ALC, (C) improperly installed, (D) serviced or repaired by someone other than an authorized ALC service center for a defect or malfunction covered by this warranty, (E) used in any conjunction with equipment or parts or as part of any system not manufactured by ALC, or (F) installed or programmed by anyone other than as detailed by the owner's manual for this product.

STATEMENT OF REMEDY: If the product is under warranty, ALC will either, at its option, repair or replace the defective unit & return it to you without charge for parts, service, or any other cost. ALC, at its option, may replace the unit with a new or

THE LIMITED WARRANTY SET FORTH ABOVE IS THE SOLE & ENTIRE WARRANTY PERTAINING TO THE PRODUCT & IS IN LIEU OF & EXCLUDES ALL OTHER WARRANTIES OF ANY NATURE WHATSOEVER, WHETHER EXPRESS, IMPLIED OR ARISING BY OPERATION OF LAW. INCLUDING. BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY DOES NOT COVER OR PROVIDE FOR THE REIMBURSEMENT OR PAYMENT OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states do not allow this exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.

LEGAL REMEDIES: This warranty gives you specific legal rights, & you may also have other rights which vary from state to state. This warranty is void outside the United States of America & Canada.

PROCEDURE FOR OBTAINING PERFORMANCE OF WARRANTY: If, after following the instructions in the owner's manual you are certain that the Product is defective, pack the Product carefully (preferably in its original packaging). The Product should include all parts & accessories originally packaged with the Product. Include evidence of original purchase & a note describing the defect that has caused you to return it. The Product should be shipped freight prepaid, by traceable means, to warrantor at:

Use of audio or video equipment for recording the image of a person without their knowledge and consent is prohibited in certain states or jurisdictions. The end-user assumes all liability for compliance with applicable state, local and federal laws. Wireless cameras require a wired connection to AC power outlet. Network conditions and environmental factors can adversely affect wireless signal range. Actual night vision range and image clarity depends on installation location, viewing area and light reflection / absorption. Photography and illustration may differ slightly from actual product.

FCC Compliance Statement: This device complies with Part 15 of the FCC rules. Operation is subjected to the following two conditions: (1)this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

Products with CF Marking comply with FMC Directive (2004/108/EC): Low Voltage Directive (73/23/EEC): R&TTE (1999/5/EC); ROHS Directive (2011/65/EU) issued by the mission of the European Community. Compliance with these ves implies conformity to the following European Norms: EMC: EN 301 489 LVD: EN 60950 Radio: EN 300 328

If the camera system no longer functions or can no longer be repaired, it must be disposed of according to the valid statutory regulations.

Wireless Outdoor Security Camera

ACCESSORY

Compatible with ALC AWS3377 and AWS337 Video Surveillance Systems

Model AWSC37

QUICK START GUIDE

INTERIOR

Let's Get Started Model AWSC37 REQUIRES ALC AWS3377 or AWS337 WIRELESS SURVEILLANCE SYSTEM TO WORK.

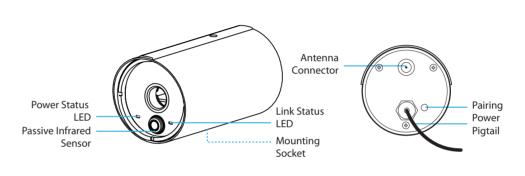

Power extension cable

Indoor/Outdoor Camera

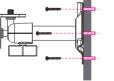

Tip: Plan the location of your camera for optimal viewing and proximity to AC Power outlets, (1) power extension

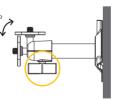

NOTE: Avoid installing in a location which requires the Wireless signal to pass through cement, concrete and metal structures. This will reduce the transmission range.

CAMERA INSTALLATION + SETUP

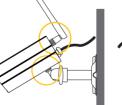

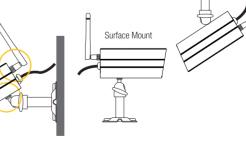

stand and adjust viewing angle using the Thumb Screw to rotate position.

Align hole on bottom of camera with T-Bolt to install camera. Screw antenna into rear of camera.

Attach power cable to power extension cord AC Adapter. Plug into electric outlet.

The Wireless Surveillance System supports up to four (4) wireless surveillance cameras. Use the following steps to pair each additional camera.

Tap on the **Open/Close** (>) icon (bottom left) to open the menu options.

Tap Camera Setup icon to access Camera Setup.

Press and Hold the Pairing button on the camera for 5 seconds. If pairing is successful "pairing is successful" appears on the screen. Tap on it to remove the message. If a camera is already assigned to the selected channel. the monitor overwrites that camera link with the new one.

NOTE: Cameras are IP66 rated for indoor/outdoor use. For outdoor use it is recommended to install camera under shelter to protect from direct exposure to sunlight and other environmental elements. Avoid pointing a camera directly at any bushes or tree branches or objects that may naturally move due to winds.

For detailed installation and setup, please refer to the Model AWSC37 extended User's Guide available on our website: www.atomslabs.com/support
